

Modern Slavery and Human Trafficking Statement

Motif8 Embroidery and Print Ltd

This statement is made pursuant to section 54 of the Modern Slavery Act 2015 and sets out the steps taken by Motif8 Embroidery and Print Ltd to prevent modern slavery and human trafficking in our business and supply chains.

Our Business

Motif8 Embroidery and Print Ltd operates in the textile and manufacturing sector, providing embroidery and print services. Our operations are based in the United Kingdom.

Our Supply Chains

Our supply chains include suppliers of textiles, garments, materials, and services. While many suppliers are UK-based, we also work with international suppliers, which may present a higher risk of modern slavery.

Our Commitment

We are committed to acting ethically and with integrity in all our business dealings and have a zero-tolerance approach to modern slavery and human trafficking.

Due Diligence

To minimise risk, we:

- Work with reputable suppliers
- Expect suppliers to comply with applicable laws and regulations
- Review supplier relationships if concerns are identified

Where serious concerns arise, we reserve the right to terminate supplier relationships.

Risk Assessment

We consider the risk of modern slavery within our direct operations to be low. We remain aware of the potential risks within international supply chains and take proportionate steps to mitigate them.

Training and Awareness

Motif8 Embroidery and Print Ltd provides modern slavery awareness training to all staff. This training ensures employees understand the risks of modern slavery and human trafficking and know how to identify and report concerns within the business or supply chain.

Ongoing Review

This statement will be reviewed and updated annually.
